

HERO MOVES ***FOR THE NEXT GENERATION***

Hero Conversations:

Who is someone more mature in faith (outside my family) that I would like to learn from?

What interests or talents do I have that could be helpful in the Church someday?

How often should I attend and participate in the worship services?

How often do I get to hang out with church people outside of the building?

What are we doing at home to keep growing in our understanding of the Bible and the Christian life?

How can I begin serving or helping the church right now?

What ways can I help people in my community and around the world right now?

HERO MOVES ***FOR THE ADULTS***

Hero Conversations:

How could I use my talents to teach skills to the next generation of the Church?

When the next generation observes me in worship, do I look like a spectator or a participant?

Would the next generation consider me an encourager of creative and relevant ministry?

Do I model a life of personal devotion to God's word and authentic Christ-centered living?

What could I do that would make a contribution to the healthy growth of the next generation of the Church?

How can I help the next generation learn to restore their communities and the world?
