

Front of House Engineer Job Description

Position Title	Department/Ministry/Location
Front of House Engineer	Worship Arts/All Campuses
Supervisor Position Title	Weekly Hours
Creative Worship Arts Pastor	3 hours
Position Status/ Classification	Ministerial Status
Part-time/Non-exempt Salary	Non-ministerial

Position Summary:

At County Line Church of God, we are dedicated to creating an inviting and dynamic environment for worship and connection. Part of our mission is to share the love of Christ through vibrant worship services, meaningful teaching, and community outreach. We seek a skilled and passionate Front of House Engineer to help elevate the audio experience during our worship services, events, and special gatherings.

Essential Duties and Responsibilities:

The essential functions include, but are not limited to, the following:

- Operate and manage the Front of House (FOH) audio system during weekly worship services, events, and special services.
- Set up, maintain, and troubleshoot audio equipment, including microphones, mixing consoles, and speaker systems.
- Collaborate with the Worship Team, Pastors, and other ministry leaders to ensure smooth integration of audio elements for service.
- Mix live sound for vocals, music, and spoken word, adjusting levels for optimal clarity and engagement.
- Serve as a producer to ensure that technical elements are well executed.
- Ensure a high-quality sound experience that supports the worship atmosphere and helps foster spiritual connection.
- Oversee the setup and teardown equipment, ensuring everything is stored correctly and maintained.
- Provide technical support to volunteers and staff, helping train and equip others as needed.

Minimum Qualifications (Knowledge, Skills, and Abilities):

Education and Experience:

- Previous experience as a Front of House Engineer or in live sound production is preferred.

- Solid knowledge of audio equipment, including mixing consoles, microphones, and speaker systems.
- Experience with live sound mixing for music, vocals, and spoken word.
- Ability to troubleshoot and resolve technical issues quickly and efficiently.
- A heart for worship and a desire to contribute to the church's mission.
- Strong communication and collaboration skills to work effectively with the Worship Team and other ministry leaders.
- Ability to work under pressure and adapt to dynamic environments.

Knowledge and Skills:

- Experience with digital soundboards and audio software (e.g. Pro Tools, Logic, etc.)
- Familiarity with live streaming setups and audio integration for online services.
- Knowledge of stage management and lighting systems is a plus.

Licenses, Registrations, and Certificates:

- Ability to drive various County Line Campuses

Spiritual Requirements:

- Recognizes Jesus as Lord and Savior and demonstrates that with a Christ-centered lifestyle.
- Agreement with County Line's Statement of Faith
- Adheres to County Line Staff Lifestyle agreement.

Physical Requirements:

- Ability to stand for at least 30 minutes at a time.
- Ability to lift 20-30 lbs.

The weekly salary is \$100-150, depending on experience. The position will take 3-4 hours per week on average.

To apply, please send your resume to Allison Carnahan, Director of Operations, at acarnahan@countylinechurch.org on or before May 23, 2025.
